

Unlocking a young person's understanding  
and appreciation of Sherlock Holmes

---

## The game is afoot!

The Beacon Society, a scion society of the Baker Street Irregulars, invites children and youth to complete Junior Sherlockian Training—an in-depth study of Sherlock Holmes’s character traits, observational skills, capacity for critical thought, and inductive and deductive reasoning. During the online training, Junior Sherlockians-in-Training complete the 2-2-1-b tasks to *explore*, *experience*, and *extend* their understanding and appreciation of the great detective. Upon completion of the tasks and submission of “training evidence,” a certificate of completion is granted.
